Subject: Microsofts proposed settlement is wrong for the US

Hello,

I feel very strongly that the proposed settlement by Microsoft is wrong.

It is not punishment for monopolistic practices to extend their monopoly to schools.

It does not prevent further Microsoft monopolistic tactics.

It hurts the few potential competitors that are left.

THE PROPOSED SETTLEMENT IS WRONG.

I urge you to correct this misguided action, while there is still a chance for competition before all of the competitors are wiped out.

We the people of the United States deserve better than the Microsoft monopoly.

DO YOUR DUTY, THROW THE PROPOSAL OUT,

DONT BE PUPPETS OF MICROSOFT.

BREAK UP MICROSOFT.

Thank you Parr Crone
